

## Ramp-up tariff for the hydrogen core network

### Determination of the ramp-up tariff by the Federal Network Agency (Bundesnetzagentur)

In accordance with Section 28r (2) of the Energy Industry Act (EnWG) in conjunction with Clause 3 Sentence 3 of the Federal Network Agency's decision WANDA, Ref. No. GBK-24-01-2#1 dated 06.06.2024, the Federal Network Agency is obliged to set a ramp-up fee for hydrogen.

This obligation has been fulfilled with the decision on the ramp-up fee for the hydrogen core network, Ref. No. GBK-24-02-2#4 dated 14.07.2025. The ramp-up fee for the hydrogen core network for a non-interruptible annual capacity product amounts to, subject to annual inflation adjustment pursuant to Clause 3 Sentence 5 of decision GBK-24-01-2#1 dated 06.06.2024 and periodic review pursuant to Clause 3 Sentences 6 et seq. of the WANDA decision, GBK-24-01- 2#1 dated 06.06.2024:

**€25.00/kWh/h/a**
